“ *Wes, you will be truly missed. You left behind lots of memories, sad and happy ones. The last time we saw you was in Beeville and you were having a great time with Dina and Xander. I want to remember you with that smile and laughter. God needed another angel and he chose you. Your family will cherish all the memories with you but know that the loss of your presence will be a difficult one. Be their angel and guide them in the right path. Until we meet again mijo.*
