“ I am so sorry for your loss. Sandy and I "met" 35 years ago through a penpal magazine. Though we never had the opportunity to meet in person, we shared so many of life's ups and downs through those years. We felt as though we were sisters. I will miss her texts and our long email discussions about anything and everything. I look forward to the day that we will finally meet in person in Heaven. She was a very big part of my life. Thoughts and prayers for her family.
