“ *It is never easy losing someone especially a family member. Even though we didn't see each other much over the years, we know family is always there. I'm so thankful we had many chats over the past year and my heart is so full knowing she took the time to lay in bed just a few weeks ago and watched my live show and I had a chance to say I love you and she heard my voice. My faith is strong and we talked about God. I know she knew God and I know she is alive and well and Cancer Free and I know I will see her again on the best side of Eternity. Till that day, be in peace and run the streets and make sure my Mansion in Heaven is close to yours. Love you sweet cousin. XOXO Cathie Blair-Neuhaus*
