“ Tommy we had some great fishing trips. I loved watching you throw the cast net with one leg. You always kept me laughing. You always came up with the most off the wall stuff. I'll always think of you as a brother and I'll see you on the other side.

“ Tbird was the most personable person I have ever met. He always made me laugh and smile. Loved my short talks with him. You just don't know how long you have with someone you care for. Life is so short. I was always suppose to go fishing with you. We would of had a blast. Tbird fly with the Angels . Be the Angel you are . God bless the family that is left with the memories of you. “ Tommy was one of a kind and will truly be missed! I never had a conversation with him that didn't include his gratitude for Barbara and his Doc! Those conversations were always witty and colorful! I know you are happy to be with your momma and brothers. Rest in peace my friend! We will have some shrimp paella for you!
