“ My name is Rosalinda Lerma I work in the kitchen and I met Victor about two years ago at retama manor. As soon as I saw that beautiful smile I was hooked I said. He has such way of things and people. O boy and that coffee I always put a crushed oatmeal pie because I knew it was his favorite. So everyday from that point as soon as I walk into the facility the first thing I would see if he was up and go straight to give a hug. So I had the privilege of becoming his am ambassador. He was such a kind soul and I will miss that beautiful smile. I'm thankful I had the opportunity to have met him and will forever be grateful for it. My heart is heavy but at the same time it's at ease knowing he is in a better place watching over us. Forever in our hearts, from all of us in the kitchen we love ya Victor.
