“ Where do I start? Our whole life is so full to overflowing with such good and great stories. Our family even as few as they number have given us such a fruitful life. Even the bad times were pretty good. We tried to remember to keep Jesus Christ ahead of everything. For you see when you are a good steward of all of God's creation and faithful to each other we became stronger in the love of Him. Susie loved the Lord so much. She was my prayer warrior even when I didn't know I needed it.
