“ To the family of Deal Fair and especially to his sister Frances. I knew Deal well both in our childhood and recently via the Internet. I was surprised by his death, but death comes to us all. The important thing is to be prepared for death. I believe Deal was prepared and I plan to be with him in Glory when I die. At this time, however, I know the grief his family feels and I share it. My deepest sympathy goes out to you. May God bless you all.
