“ My sincere condolences to the family. My heart goes out to her husband, my dear friend Bonnie and her girls who love this beautiful woman unconditionally. My husband and I had the pleasure of being guests at one of her huge Wedding Anniversary Celebrations. As if yesterday, I can still see the smile on her face the whole night. She and her husband were glowing as if Newly Weds. This is a woman who i never met on a personal level but heard so much about thru (her daughter)my dear friend Bonnie all the time. This is someone who lived and left an impression on so many lives.....and will never be forgotten.

Ms Lopez - today and always the family you left behind will cherish the memories and moments shared by their side. The family will gather and you will forever be a part of the conversation, your presence will always fill the roomjust as if you never left. You will bring sadness because they can't see or feel you...but your smile and energy will never leave them. You will be in their hearts always. I know this because of shared stories from your daughter whom is like a sister to me. You will forever be loved and never forgotten.
RIP Ms Yolanda Lopez.
